

Promoting Community Partnerships Based on Equity:

Multi-Institutional Perspectives in Higher Education During COVID-19

Why this session?

What?

What happened in your organization?

How did you/your served groups/teams experience COVID 19?

What specific actions did you take to address DEI concerns?

So What?

What key decisions did you/your organization make?
What specific actions did you take to address DEI concerns?

Now What?

What processes/solutions did you keep?

What do you do differently?

Looking forward, what opportunities to address DEI might your organization consider?
